Dear Ms Hriczko

The person who signed the paper left Bio-Pharm Inc in 2003 after working for 8-9 years
We took over in August 2001, & have not dealt with this company since then

Hello Ms. Shah,

Attached is the scanned copy of the only document we found on the Site with Bio-Pharm's name on it. The document shows that drums were sent from Bio-Pharm to Superior Barrel for disposal. I am unsure what date you received the 104e request for information, because I have not received the green card back. So whatever that date is please add 30 days to it, which is the date you have to respond. If you have any other questions please feel free to contact me.

Thank You,

Bonnie Hriczko

Dear Ms Hriczko

It was a pleasure talking to you few minutes ago

As indicated we have never done any business with Superior Barrel & Drum

I would greatly appreciate if you can email us the documents that you found at the above site with our name on it
